

VIG Training Costs for Advanced Practitioner Trainee Supervisor

Costs of VIG Training: Advanced Practitioner

All accreditations and training days are run by AVIGuk

Supervision is provided by VIG Supervisors

Note that there is flexibility in the progression towards becoming an accredited Advanced Practitioner depending on the number of supervisions (minimum 5)

Introduction to Advanced Practitioner training			£60
Advanced Supervision, including preparation for submission	5	£80 per supervision	£400
Advanced Practitioner Masterclass			£100
Accreditation			£320
		Total	£880

Accreditation as an Advanced Practitioner is via submission of a full shared review recording, assessed by VIG supervisors

Accreditation is dependent on meeting criteria, in accordance with the *VIG Skills Development Scale*
